

Tudor Trails

Myers-Insole Local Learning invites you to take a walk around Tudor Bristol and meet some of the characters such as the widow vintner, ship's captain and ratcatcher who might have lived and worked in 16th century Bristol.

“Excellent in every way both adults & children thoroughly enjoyed the experience.”
Brenda Page

Walks will be led by a local historian and are appropriate for all ages.

The circular walks will be about one hour and start at Bristol Central Library.

After the walk you will be able to continue to explore Tudor Bristol through a virtual tour available on the Children's Library Computers.

The trail will be held on Sunday 9th September at 1pm.

These activities are free, but booking at the Children's Library is essential.

Ask at the desk or telephone 0117 9037215.
